Parent Code Of Conduct

1. Remember that your child(ren) are involved in organized sports for their enjoyment.
2. Encourage your player to always play by the rules.
3. Teach your player that an honest effort is as important as victory so that the result of each game is accepted without undue disappointment.
4. Turn defeat into victory by helping your player to work toward skill improvement and good sportsmanship. Use their lesser moments as learning experiences can help foster the desire to come back and try again.
5. Provide your player with plenty of encouragement as that is the best way they can learn.
6. When in disagreement of a coach or ref's judgment or call, we expect any inquiry to be directed away from all players in a mature and respectful manner.
